Hi Deborah,

How does the attached look? It now includes an offer of a PV Shelf update by us (in Para 1 and Para 4).

Thanks,

Hi Julia and Mike,

Thank you for the proposed response. I'm forwarding back the incoming letter from the Mayor.

The proposed response does not respond to the one direct request of the Mayor's, which is for us to provide a "comprehensive update" of the status and success of our PV Shelf site remediation.

Could we not offer to provide such an update to the Mayor and his staff via a virtual meeting?

Thanks.
